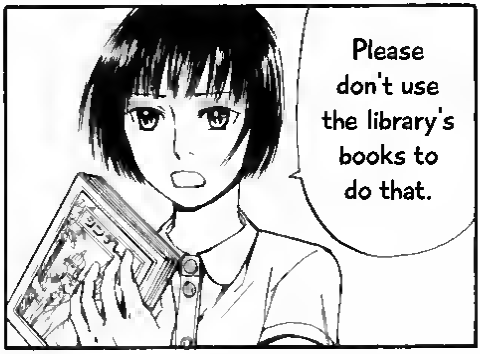
I'm sorry.
I'm really sorry...
……



Please don't use the library's books to do that.

The books are for everyone, not just you.

Who are you?
I'm...
Ah...

I'm Kuni-kida-san's...

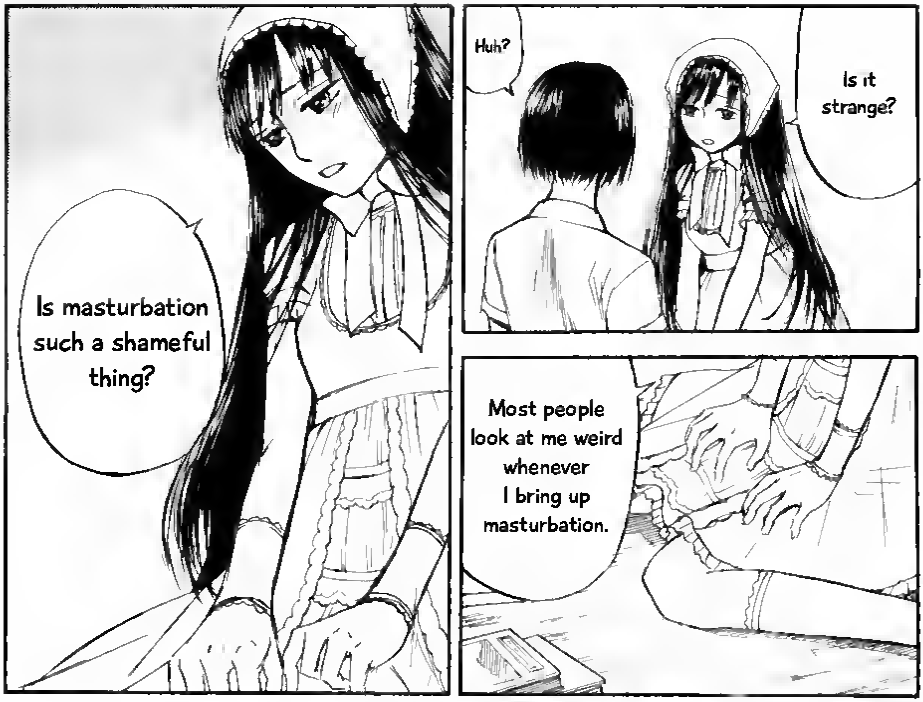
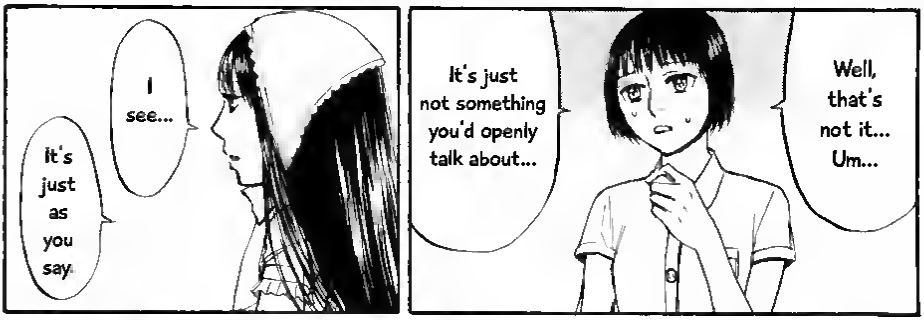
We study masturbation together.
Ma...
Mas-tur-ba-tion..

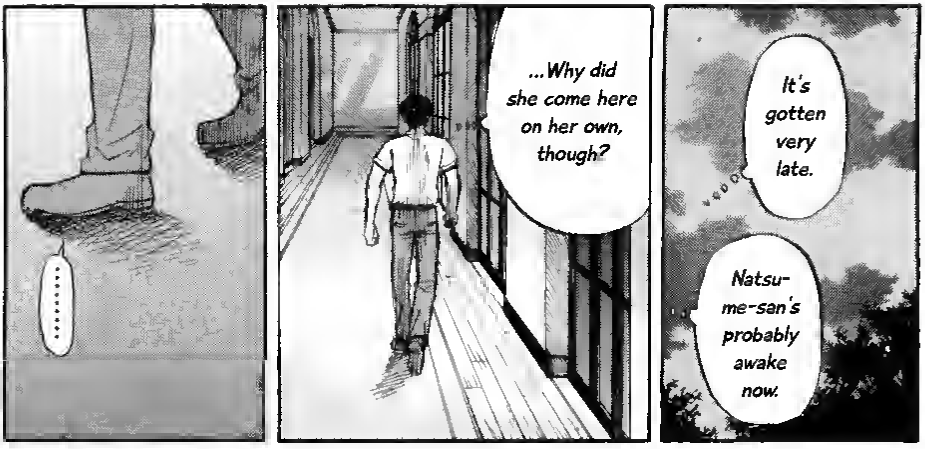


Is masturbation such a shameful thing?
Huh?
Is it strange?
Most people look at me weird whenever I bring up masturbation.

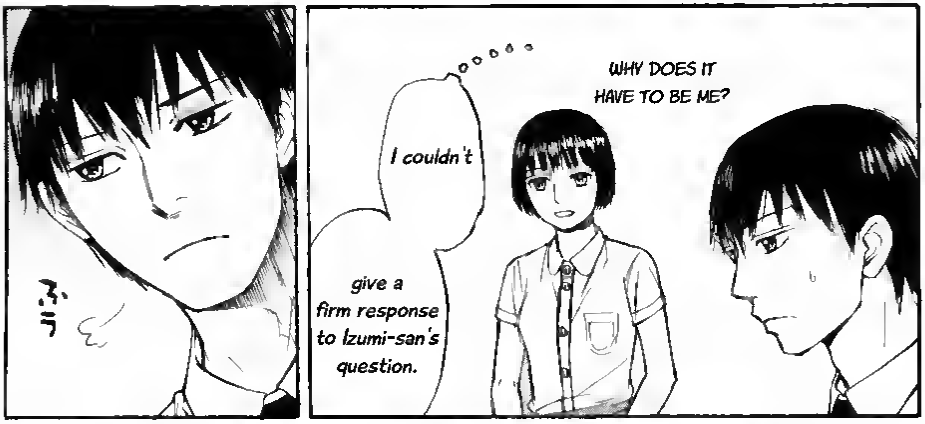


I see...
It's just as you say.
It's just not something you'd openly talk about...
Well, that's not it... Um...

if only it's not a necessity ...
If only...



.....
...Why did she come here on her own, though?
It's gotten very late.
Natsume-san's probably awake now.



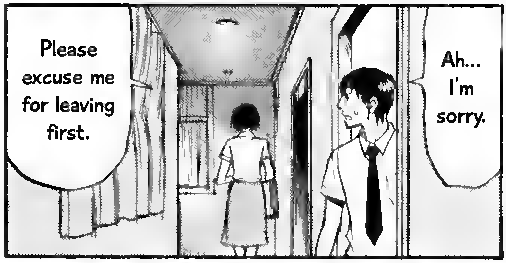
Ji:
WHY DOES IT HAVE TO BE ME?
I couldn't give a firm response to Izumi-san's question.

!!
ガチャ
The reason why is because I'm not dedicated enough in my masturbation.
I have to commit myself more.

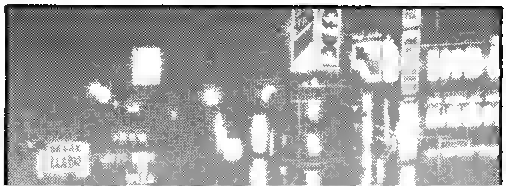
I-Izumi-san, you're still here...?
I was about to call you over.
Your RESEARCH COLLEAGUE is waiting for you.

Are you all right now?

Natsu-me-san...
"STARE"



Please excuse me for leaving first.
Ah... I'm sorry.



Kuni-kida-san,
please refrain from bringing unauthorized people in here.

Are you sure you only want me to accompany you until the station?
Yes, I'll be riding in the women-only passenger car.
Ah, I see.
You'll be alright in there.

Kuni-kida-san.
Y-Yes?
...How much do you mastur-bate?
Whuh?!
Ah, right.
I do it at least once a day, just as Sensei instructed me to.
As for me, I do it more than ten times in a day.

Please don't make that face.
I don't do it because I want to.
... That's amazing.
I once saw you masturbating near the sea, and it left an impression on me.
Natsume-san,
I respect the way you masturbate.

... I'm...
I...
I want to be able to masturbate like that one day.
That's what I am striving for right now.

I want to...
have a normal sex with a man.

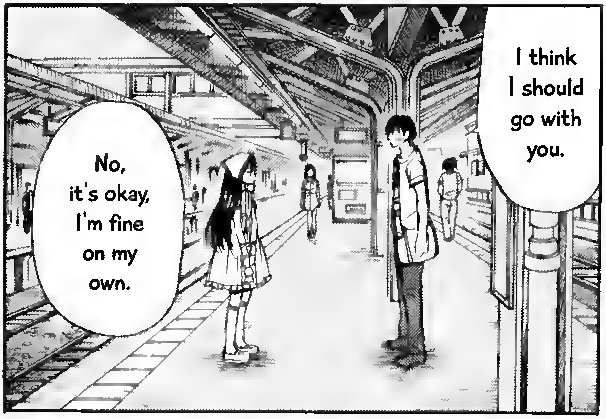
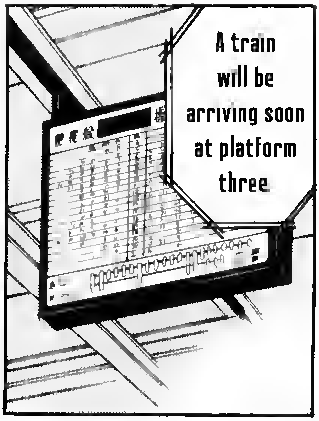
Although I understand that it's impossible to do with the way my body is right now.
But someday... Someday.



I think I should go with you.
No, it's okay, I'm fine on my own.



A train will be arriving soon at platform three

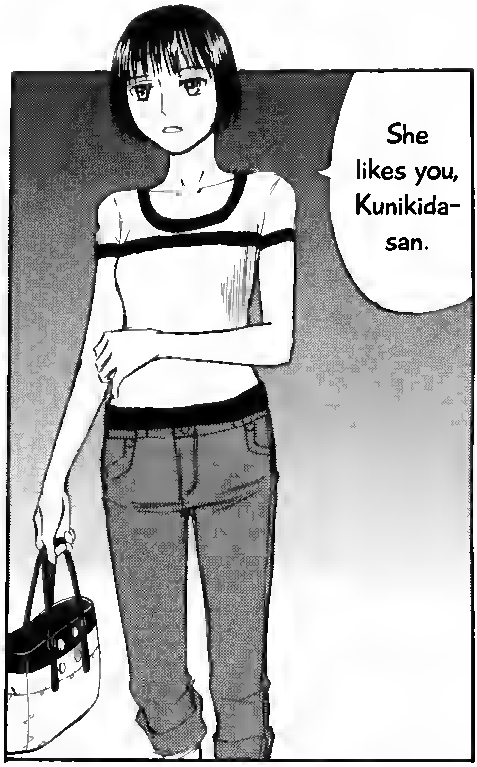
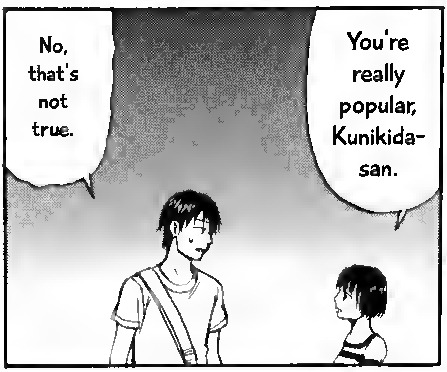
...No way.



She likes you, Kunikida-san.



No, that's not true.
You're really popular, Kunikida-san.

You should be a little bit more aware of yourself, you know.

"STARE"

So...
Be more conscious, okay.
.....
I'll keep what happened today a secret.
Good night.
Consci-ous...?
